

*Note this is not a complete list. It was updated in the summer of 2009 and is a reflection of the information the WDA was able to gather from each individual dental clinic. Some clinics may have changed their hours of operation or scope of dental services since this listing was finalized. Please understand that this is our best attempt to capture the information each clinic released to us and we cannot continually verify the currency of the information on anything more than an annual basis.
