### **Wisconsin Dental Association Foundation announces newly elected board members**

WEST ALLIS, Wis. – The Wisconsin Dental Association Foundation is pleased to announce the election of two new members to its board of directors.

**Dr. Katie Satula** is a general dental and owner of Satula Family Dental in Hales Corners. She has previously served as the chair of both the WDA Elections and Credentialing Committee and the Membership Development Committee. Dr. Satula has been active in leadership positions with the Greater Milwaukee Dental Association, most recently serving as board president in 2024. She is involved in volunteer community dental events for low-income Wisconsin residents including Give Kids a Smile and the WDA and WDA Foundation Mission of Mercy. She is a graduate of Marquette University School of Dentistry (MUSoD) and a fellow of the American College of Dentists (ACD) and the Pierre Fauchard Academy.

**Dr. Derek Schmidt** is a general dentist and owner of Spring City Family Dental in Waukesha and DRS Family Dental in Greenfield. He served as a delegate for the WDA House of Delegates from 2019-2024. Dr. Schmidt has held several leadership roles with the Waukesha County Dental Society including president in 2022-23 and has served as a volunteer at the WDA and WDA Foundation Mission of Mercy. Schmidt is also a graduate of MUSoD and a fellow of the ACD and Pierre Fauchard Academy.

“We are extremely pleased to have these outstanding dental professionals join the Wisconsin Dental Association Foundation Board of Directors,” said **Dr. Gene Shoemaker** of Waukesha, president of the Foundation board. “Their past involvement in organized dentistry will be a big plus as they help us fulfill the Foundation’s mission of improving oral health care and overall well-being across the state.”

#### **About the Wisconsin Dental Association Foundation**

The Wisconsin Dental Association Foundation was established in 1957 as an independent 501(c)(3) tax-exempt charitable organization that works closely with the WDA. The Foundation is committed to improving the oral health and overall well-being of Wisconsin residents while supporting the needs of the dental community. It does this by awarding scholarships to qualified students, providing financial support to projects that deliver dental care to the underserved and administering Donated Dental Services and the Mission of Mercy program.
